

QUALITY POLICY

Quality policy for IKM

- We perform our assigned tasks in accordance with the customer's requirements and conditions
- We deliver the product that our customers require
- We shall follow laws, regulations and code of ethics
- As a minimum, we shall meet the requirements of ISO 9001
- We shall be certified or accredited according to relevant standards
- We shall learn from our mistakes and successes
- We must ensure that lack of quality is reported and handled with a focus on learning
- We shall document our quality
- Our employees are our expertise and most important resource

We will achieve this through continuous improvement of all processes and systems established in each organisation.

Each IKM company shall establish its own objectives in order to comply with The IKM Group's overall policy and values.
